

Unemployment Compensation Cost Control

Pay the lowest possible rates on your unemployment taxes.

Unemployment tax is the second highest employer-mandated tax ... and the only employer tax that can be controlled.

With variable tax rates. Tax errors. False claims. Ever-changing state and federal regulations and eligibility requirements

... it's a full time job keeping up with it all.

At **Dunn Corporate Resources**, we make it our job.

As a leading Employment Lifecycle Management Services Company we provide clients with the most comprehensive and proactive unemployment compensation, tax reduction and cost management services available:

- We communicate with our clients and keep them well informed.
- We keep on top of changes at the state and federal level.

- We continuously monitor tax and claim accuracy.
- We aggressively -- and proactively -- respond when your business is directly affected.

Our proven expertise **saves** our clients **time, resources**, and, most importantly, **money** on these often-overlooked sources of revenue.

We're here to meet your needs.

Your needs are unique.

And what they are today will, no doubt, change tomorrow.

That's why our services are comprehensive. **Flexible. Customized.**

When it comes to Unemployment Compensation the "**One Size Fits All**" approach will not work. We believe unique requirements deserve unique solutions, and we work with clients to develop solutions that meet their needs at a cost they can afford.

Take advantage of a chosen few, add more later, or embrace our full range of **UNEMPLOYMENT COMPENSATION COST CONTROL Services:**
